End Date/Time: Tue 8/11/2015 2:15:00 PM

Hi Kristen,

Can you join us for this meeting? It is going to be a busy, intense, long day tomorrow. Lots to accomplish; end game is to have performed a screen of all available water data against our criteria. This means we need to finalize the criteria (e.g., those that need to be calculated based on water hardness), develop the reporting requirements, then actually screen the data.

Thanks,
wo
